SYRUP PECTORA

HITI INVITE ATTENTION to some of the PECTORAL SYRUP

They are at home, and any one who has doubts can use of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

Pritinger, Jan. 11, 1800.

Da. Krunn:—My wife has been afflicted with a bad cough and difficulty of breathing, for fave or six years, which, for several years back, had gradually increased in violence. The compisint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Oough Syrup. I bought, the first time, a fifty cent bottle, which releved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privatores, Nov. 18, 1889.

Da. Kayana:—Although not an advocate of Paten Medicines, in general, it affords me pleasand indearths bit to recommend your Pectoral Syrup. Are medicine it is well worthy the attention of any parsay alto may in any manner be afflicted with counts, coles and hourseness of any hind, and for the peculiar qualifications for removing all that disagreeable reassation attending a never cold. moving all that disagreesse verse cold.

I have been, more or less, in my life, affected with the soverest of colds and hearseners. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly, say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Cashier CHizeus' Deposit Bank.

I have used Dr. Keyser's Cough Syrup for a bad coug of several years standing, and can obserfully say it the best medicine for the same that I have ever twen I, W. PRICE.

COL. PRATT AND DR KEYSER'S PECTORAL SYMUP.—Dr. Keyras:—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. Remocked the scoles own of my couph and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any coat. I am confident I can breathe more freely than I over did. I shall always seknow bedge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. FEATT,

SYRUP.—I live in Pechles township, Allegheny county.
I had a coughing and spirting, which communed apon
the 4th of February last, and continued eight months,

lead the best obysicious in the country, and my cough continued anabated until early in October. At that time I was advised to try your PECTORAL COUGH BYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL OURS.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His reactives told me that he had taxen every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the shird of a bottle of your Pettorat Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.
